**LinkedIn** <https://www.linkedin.com/in/mark-mitchell-1261a320>

I am currently studying a BSc in software design and cloud computing at A.I.T and I'm very keen to pursue a career in software design and am dedicated to improving my skills through hands-on learning and development work. After my 5 years of Connacht rugby academy training I am a very self-motivated person with extensive experience in leadership positions and working with teams and managers, received a student scholarship to A.I.T for rugby. I'm a B1 level German speaker, proficient with Microsoft word and image editing software like GIMP.

## Skills

- Represented Connacht on our tour against Sale Sharks in England. 2019.
- Captained various teams for school, club and provisional level.
- I have won 16 Connacht titles between all of my teams throughout the years.

## Interests

- Pc Building: Since I have built my own pc in 2018 I have been very interested in the different components of a pc and how they work, it has inspired me to work in I.T.
- Web design: I greatly enjoy the design of website.
- Sport: I have played rugby for 8 years and hurling for 12, playing for various teams and representing my province, this has thought me a lot about the self-discipline and the hard work you need to put in to achieve something.
